

**Remarks**

This is a Preliminary Amendment in which original claims 1-17 have been canceled without prejudice and new consecutively numbered claims 18-33 have been added. A complete listing of all claims in the application is attached as required by 37 C.F.R. § 1.121(c). A Substitute Specification is being filed herewith. Section headings have been added and minor typographical and grammatical errors corrected. No new matter is added by the Substitute Specification. A marked up version showing all changes made in the Substitute Specification, is also attached.

A complete listing of the claims, including the text of all pending and withdrawn claims in the application is enclosed as required by 37 C.F.R. § 1.121(c).

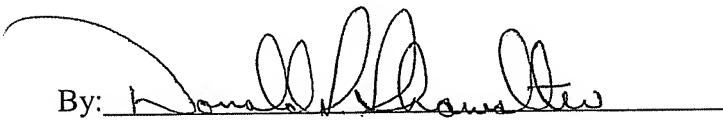

Fig. 1 in the Drawings has been amended by adding reference numeral II identifying holding body (11) and by changing the reference to the section line to clearly identify each of same as a Roman Numeral "II" to avoid any possible confusion with reference number (11). No new matter is added by this amendment as holding body (11) is clearly disclosed, *inter alia*, in Fig. 2 of the application as originally filed.

A replacement drawing sheet as required by 37 C.F.R. § 1.121(d) is attached.

Respectfully submitted,

GrayRobinson, P.A.
